Read the New Economics of Religion Paper in the Economics of Religion folder. This paper surveys the literature on the economics of religion. There is some math in it. Don't worry about that, just focus on the conclusions. In at least three double spaced pages (three pages of actual text, not 2.25 pages when you take out your heading) using 12-point font, describe three insights from the study of the economics of religion. Choose one insight from each of the following sections of the paper:
